DECLARATION OF ORIGINALITY OF THE PROJECT

I, the undersigned _____, born in _____ on ___/___/_____

acting as:
☐ Author
☐ Team Leader

with reference to the project entitled:
_____

DECLARE UNDER MY OWN RESPONSIBILITY THAT:

- the project submitted to the Carbon Fiber Design Contest 2027 is an original work resulting from my/our own creative and design activity;
- the project does not wholly or partially reproduce works, patents, industrial designs or any other intellectual property rights belonging to third parties;
- the project does not infringe any copyright, patent, trademark, registered design or other intellectual or industrial property rights;
- I/we own all rights necessary to submit the project to the Competition;

any third-party materials, images, software or components have been used in compliance with applicable laws and authorizations;

- I/we accept full responsibility for any claim concerning authorship or infringement of third-party rights and agree to indemnify and hold harmless the Competition Organisers, partners, sponsors and Jury members from any related liability;
- I/we fully accept the Competition Rules and all provisions governing the Carbon Fiber Design Contest;
- I/we understand that any false declaration may result in disqualification from the Competition and the withdrawal of any prize or recognition awarded.
